1955 Ford Car & Wagon Color Notes (U.S.)

"Unique" Style-Tone Two-Tone Colors

- Fairlane & 8-Passenger Country Sedan (only).
- Some colors inverted, typically Sunliner.
- Some plants indicated Style-Tone Two-Tone Color with a *third* color code character (after the double-letter color code) on data plates—an **S** (not to be confused with an S for Special Color, below), a **C/O**, or a **number**.

Special Color

S for "special color" Typically indicates a specially-ordered, non-standard (for the model), in-plant color. Color names & applied areas on build sheet.

Country Squire

- Single-Tone Colors (only)
- Self-adhesive **3M™ DI-NOC™** decalcomania of **panel** or **ship-plank mahogany-wood-grain** finish vinyl on (steel) bodyside & tailgate panels framed by **maple-wood-grain** finish vinyl on one-piece glass-fiber moldings & on window-band area

Fairlane Sunliner

- Convertible Tops: **Black**, **Dark Blue**, or **Tan** rayon fabric
- Boots: **Black**, **Blue**, **Red**, **Green**, or *White* vinyl

1955 Ford Car & Wagon Style-Tone Two-Tone Colors (U.S.)

Code Color lower body / upper body (some colors inverted, typically Sunliner)
